

Theory of Change

OBJECTIVES

- Preserve agricultural land and soils, and invest in long-term food production
- Increase the viability of local farms, fisheries, food businesses, and workers
- Scale up local, sustainable, and equitable food value chains
- Elevate wages and working conditions, and improve career opportunities
- Expand integrated nutrition and food security
- Improve community food environments
- Scale up food waste prevention, recovery, and recycling initiatives
- Increase leadership by Black, Indigenous, and People of Color across the food system
- Build a movement that uplifts a local, sustainable, and equitable food system
- Plan for a resilient food system

IMPACT

Healthy, sustainable,
and just food system
that elevates social,
environmental, and
economic equity for all
